This publication is an Illustrated Edition.

A summer day (1877) in the life of Walt Whitman, written under the pseudonym "Maurice Clare" with poetry selections and color illustrations.

All of her "Days" books, written during the 1910s in the belles lettres style, provide the reader a brief escape into the life and mind of a creative spirit. Part research, part supposition, part imagination, these essays and the accompanying color plates offer loving homage rather than detached literary or aesthetic criticism.
