Grace Lambert is familiar with hard work, long days, and handsome cowboys. What she is afraid of is the heat that's been generating between her and not one, but two sexy cowboys who've set their sights on her. And each other.

Grant Kingsley and Lane Miller have both had their eyes on Gracie for years, but the feisty cowgirl has managed to keep them at bay. As far as they are concerned, cowboys don't give up, and neither of them is ready to give up just yet. Not on her and not on the heat that transpires between the two of them.
