If one were to be asked to stereotype a serial killer, it would be difficult, for they come in various different forms, from different factions of society, and in some cases from a position of great trust. No serial killer has abused a position of trust like Dr. Harold Shipman, one of the most prolific serial killers of all time, and officially the most prolific known British serial killer in history. His arrest and conviction was one which shocked the world.

This eBook gives you a biographical insight into the life and crimes of Shipman, his eventually capture and arrest, his trial, his death by suicide, and the aftermath of the crazy chain of events as the British government embarked on a five year inquiry to ascertain exactly what it was that happened.
