The Edge of Redemption: A Story of Hope for Rescuing the Unreachable Troy Evans

The Edge of Redemption is far more than a remarkable story. Troy Evans challenges us to engage subcultures that we often perceive as threatening--to ask ourselves, who are the unreachable in our own communities? Rather than flee them, we are called to reach out and offer redemption to those who are on the edge of destruction.

Evans was chasing the hip-hop dream; fame, fortune, and power could be his. And he was sure he could get it all if the gang violence or the law didn't get him first. Then redemption stepped in from the most unlikely circumstances to bring about the most unlikely change.

Today, Pastor Troy Evans ministers to the community that once was his prey. He is connecting with lives and seeing the miracle of his own redemption repeated and multiplied in the same mean streets that once enslaved him.

Enter into Evans' story and God's vision.
