A Doctor in the House: My Life with Ben Carson Candy Carson

"The life of a neurosurgeon isn't an easy one, and Ben has been required to go above and beyond the call of duty almost constantly. The life of a neurosurgeon's wife isn't much easier. But it's all been worth it. Together, we've been through poverty, tragedy, wealth, and joy, and we've had each other's backs. I love that guy!" **(Candy Carson)**

Like most Americans, you might think of Ben Carson as a trailblazing brain surgeon and, in the last few years, as an outspoken commentator on national issues. But his wife of more than 40 years knows him as so much more: a loving husband, a devoted father, a devout Christian, a committed philanthropist, and a fierce patriot. Now Candy Carson introduces us to the private side of a very public figure as she shares the inspiring story of their marriage and their family.

Like her husband, Candy grew up in Detroit, one of five children of a teacher and a factory worker. Also like Ben, she overcame her humble background through determination, hard work, and perseverance, earning a scholarship to attend Yale University. In that strange new world, she focused on her studies, her music, and her deepening spiritual life. She attended church with a handsome older student who liked to tease her but never assumed he would be anything more than a friend to her. But Ben and Candy quickly became inseparable, and they married soon after she graduated, with Ben still in medical school, preparing for his career as a soon-to-be world-famous pediatric neurosurgeon.

In *A Doctor in the House*, Candy reveals many stories that have never been told before, despite the media spotlight on Dr. Carson in recent years. She shows us what it was like when they moved to Baltimore to join the community centered around Johns Hopkins Hospital. She describes how their family evolved with the births of their three sons and the tragic miscarriage of their twins.
