For undergraduate Introduction to Management Information Systems courses.

Flexible modules for instructors, real-world lessons for students.

Help your students see why MIS is the most important course in the business school with *Experiencing MIS*. This modular text shows students how businesses use—and need—information systems to accomplish their goals, objectives, and competitive strategy.

Teaching and Learning Experience

This program will provide a better teaching and learning experience—for you and your students. Here's how:

- **Personalize learning with MyMISLab**—the online homework, tutorial, and assessment program that fosters learning within and beyond the classroom.
- **Modular Approach** offers flexibility for instructors in covering the material they want.
- **Focus on important themes** of ethics, security, and other timely topics through text's Guides, designed to help students improve their skills as future business professionals.
- **Connect classroom knowledge to everyday life** with illustrative cases and a number of exercises and other interactive features.
- **Keep content current** to help keep your students up to date with the most recent events.

Note: You are purchasing a standalone product; MyMISLab does not come packaged with this content. If you would like to purchase both the physical text and MyMISLab search for ISBN-10: 0133806901/ISBN-13: 9780133806908. That package includes ISBN-10: 0133517047/ISBN-13: 9780133517040 and ISBN-10: 013359467X/ISBN-13: 9780133594676.

MyMISLab is not a self-paced technology and should only be purchased when required by an instructor.
