God's Avatars: The Betrayal of Belief Gary Beene

GOD'S AVATARS: THE BETRAYAL OF BELIEF tells the story of how God's Avatars have betrayed the beliefs of their followers for power and profit. Sadly, this story continues today in Syria, Sudan, Iraq, Afghanistan, Nigeria, and other places all over the world. This book details the history behind today's headlines.

From the very beginning of recorded history there have been men who have claimed the power to speak "the word" of their gods. (e.g. In the beginning was the Word, & the Word was with God, and the Word was God. John 1:1) The word was revealed to these men by interpreting the meanings of ancient holy scriptures, or by the discovery of long-lost divinely inspired texts, or even by miraculous commandments received directly from some supernatural being. As the avatars of many different gods cynically leveraged their faiths in the quest for wealth and power, they would whip their follower's religious beliefs into a froth of zealous fanaticism. Voltaire once said, "Those who can make you believe absurdities can make you commit atrocities." This reality served to facilitate the wealth and power scams of religious prophets. GOD'S AVATARS: THE BETRAYAL OF BELIEF chronicles the saga of this pious pathology.
