Once in a relationship with the hottest guy at school, he pushes his luck and gets hooked up with his English teacher, who's always checking him out anyway. Not content with a one time thing, he's developed a taste for hot, risky, public sex that could get either one of them in serious trouble, and he drives the bargain hard...

When he gets caught in the act with Brady in his own bedroom by the man of the house, he's forced to accept physical punishment, but refuses to let it end there. To maintain a harmonious household, he excitedly offers sex to smooth over a rough relationship...
