John Locke's Liberalism

Ruth W. Grant

John Locke's Liberalism Ruth W. Grant

In this work, Ruth W. Grant presents a new approach to John Locke's familiar works. Taking the unusual step of relating Locke's *Two Treatises* to his *Essay Concerning Human Understanding*, Grant establishes the unity and coherence of Locke's political arguments. She analyzes the *Two Treatises* as a systematic demonstration of liberal principles of right and power and grounds it in the epistemology set forth in the *Essay*.
