The Marine's Knocked Up Email Order Bride

The Marine's Knocked up Email Order Bride tells the story of William Larsen, an elite Marine who comes from a wealthy family. When his parents and sister suddenly pass away, it is on him to make sure the family legacy is kept intact. In order to do this, he must leave his career in the Marines and take ownership of the family estate. What he is unaware of is that even more changes are coming his way in order for him to fulfill this duty: he must be married and have a child. Despite some hesitance at first, he decides to think of it as pure business and goes the untraditional route of the mail order bride – only to find great lust turn into love.

Knocked up by the Outlaw

Jenna has been married for years to her husband Kyle. He's always away on business and she finally can't take it anymore. She's lonely and tired of having a battery operated boyfriend for company.

She asks for a divorce. Kyle shocks her and gives her permission to have a boy toy on the side because he loves her and doesn't want to end their marriage over the lack of sex.

Jenna finds Rack at a biker bar, he's a bounty hunter and she falls in lust with him, what will happen when Kyle and Rack meet?

Can the three of them work it out or will this three-way love triangle blow up in everyone's face?

My Secret SEAL Protector

Erica has spent a long time being heartbroken. After the death of her Navy SEAL husband, Jake, she had to rebuild her life from scratch, moving to the city and pursuing her dream career of journalism. It's been tough, but she's finding it a little easier every day, despite the reminders of her time with Jake. She's even starting dating again.

But she wasn't the only one left devastated by his loss. His best friend Tate, also a member of the SEALs, served as best man at his wedding. Released from the service, this bad boy is trying to rebuild his life and start over in a new city. Erica and Tate understand each other like no-one else does, and they share everything with each other. But will memories from the past overwhelm their intimate relationship? And is

their friendship starting to become something more?

Rescued by my Alpha Bear

Abigail has had enough! Losing all patience with her abusive family, this teenage dreamer decides to run away into the forest late one night, since she figures any place is better than home. But can she survive in the wild?

Along the way she meets wild two animals and then a sexy explorer named Malleus who seems to be hiding his own share of dark secrets. Malleus is a little bit too smart about the wild life, not to mention hard-edged when it comes to manners. He hasn't lived among civilization for quite a while and seems to have more in common with the wildlife than with people.

Abigail suspects something's up—especially since Malleus seems to become a different sort of man whenever the full moon rises. Can they find solace in each other or will their troubled pasts keep them apart?
