A MC PREGNANCY ROMANCE

Sherry is starting her life over. New town, new job, new man. He's the hottest badass biker she's ever laid eyes on. And, he's just what she's needs... because all he wants is sex.

Colt was there, in front of his fellow Vipers, laughing, drinking. On Colt's lap sat a young blonde girl, wearing a short skirt, and as anyone could very plainly see, no panties.

Colt saw Sherry but didn't move to come speak with her. That was okay to Sherry. She wanted to say what she had to say in front of a crowd, so they would all know. Maybe his friends would talk sense into Colt if he reacted the way she feared. She walked to his table and the talking stopped, and every man and woman there stared at her.

"I'm pregnant," she said, looking only at Colt. From the corner of her eye, she could see some mouths drop open.

Colt just chuckled. "Congratulations."

"It's yours."

"I'm too young and good looking to be a father," Colt cracked, and the other Viper's all laughed.

"I'm keeping it," Sherry said, anger rising in her voice.

"Do I look like I care? It was just about sex, Sherry. I like to fuck."
