The Best Book of Wolves and Wild Dogs (Best Books of) Christiane Gunzi

Wolves, wild dogs, and, of course, their adorable cubs and pups hold a special fascination for children who wonder what life is like for their pets' feral cousins. The exciting and informative narrative text and richly detailed art show these animals in their various habitats, including a pack of gray wolves in North America, jackals scavenging in southern Europe, African wild dogs, and dingoes roaming the Australian outback. An ideal gift for young dog lovers, who will find it hard not to paw through these pages time and time again.
