In this, his signature style, Cheng-Khee Chee AWS DF, NWS has no preconceived idea of his end result. He knows only that he will paint Koi. You see him begin his painting with the right brain qualities of emotion, risk taking and intuition, while applying pre-moistened pigment to saturated paper. While the paper is still moist, you see Chee lift out shapes and add form to the scene, using his left brain to analyze his painting, rationally incorporating design principles and his thorough knowledge of Koi. This is a tour de force of a modern master.
