The Wine of Solitude Irene Nemirovsky

Introspective and poignant, *The Wine of Solitude* is the most autobiographical of all of the novels from the celebrated author of *Suite Française*.

Beginning in a fictionalized Kiev, *The Wine of Solitude* follows the Karol family through the Great War and the Russian Revolution, as the young H el ene grows from a dreamy, unhappy child into a strongwilled young woman. From the hot Kiev summers to the cruel winters of St Petersburg and eventually to springtime in Paris, the would-be writer H el ene blossoms, despite her mother's neglect, into a clear-eyed observer of the life around her. Here is a powerful tale of disillusionment — the story of an upbringing that produces a young woman as hard as a diamond, prepared to wreak a shattering revenge on her mother.
