What the Fates Decree: A Caversham Chronicles Short Story (The Caversham Chronicles) Sandy Raven

Her grace, the duchess of Caversham still has an unmarried daughter after four full seasons out. So does the Countess of Camden, and the Viscountess Huddleston. An upcoming autumn fox hunt and house party in Scotland might just be the perfect venue for their daughters to get away from the scrutiny of the gossips in London, and perhaps meet worthy gentlemen as yet unfamiliar to them.

Lia doesn't want to go to Scotland, and she thinks perhaps Charlotte should stay behind as well. She hopes this will give the girls a little freedom to explore potential relationships. Lia will have to convince her sister-in-law of the wisdom of her plan, and she knows this will not be an easy task.
