Carlos Ruiz Zafón

A Sombra Do Vento - The Shadow of the Wind - (Portuguese) Carlos Ruiz Zafón

"A Sombra do Vento" é uma narrativa de ritmo eletrizante, escrita em uma prosa ora poética, ora irônica. Ambientado na Barcelona franquista da primeira metade do século XX, entre os últimos raios de luz do modernismo e as trevas do pós-guerra, o romance de Zafón é uma obra sedutora, comovente e impossível de largar. Além de ser uma grandiosa homenagem ao poder místico dos livros, é um verdadeiro triunfo da arte de contar histórias. Tudo começa em Barcelona, em 1945. Daniel Sempere está completando 11 anos. Ao ver o filho triste por não conseguir mais se lembrar do rosto da mãe já morta, seu pai lhe dá um presente inesquecível: em uma madrugada fantasmagórica, leva-o a um misterioso lugar no coração do centro histórico da cidade, o Cemitério dos Livros Esquecidos. O lugar, conhecido de poucos barceloneses, é uma biblioteca secreta e labiríntica que funciona como depósito para obras abandonadas pelo mundo, à espera de que alguém as descubra. É lá que Daniel encontra um exemplar de "A Sombra do Vento", do também barcelonês Julián Carax. O livro desperta no jovem e sensível Daniel um enorme fascínio por aquele autor desconhecido e sua obra, que ele descobre ser vasta. Obcecado, Daniel começa então uma busca pelos outros livros de Carax e, para sua surpresa, descobre que alguém vem queimando sistematicamente todos os exemplares de todos os livros que o autor já escreveu. Na verdade, o exemplar que Daniel tem em mãos pode ser o último existente. E ele logo irá entender que, se não descobrir a verdade sobre Julián Carax, ele e aqueles que ama poderão ter um destino terrível.
