## **After the Roses** Shayne Parkinson

In November 1918, the Great War is over and the men are coming home. For a brief period, Daisy's world once again seems a safe and settled one.

But no one returns unscathed from such a war, although not all wounds leave obvious signs. And hard on the heels of the Armistice comes a new, invisible enemy that will strike much closer to home: a lethal epidemic of influenza.

Till now, Daisy has shared her dream of some day becoming a doctor with only one person: her beloved cousin Eddie. Her hopes for the future must be set aside while events are buffeting her family; and the best education her little school can offer aims no further than producing capable farmers and useful wives.

Pursuing her dream will be no easy task for Daisy.

*After the Roses* is the sequel to *Daisy's War*.
