Dancer Lorri Hewett

Ballet is the most important thing in Stehania's life. Her good-girl reputation, her humiliation about her father's job--everything disappears for those brief, amazing moments when she is in flight. But the reality of dance is tough, and Stephanie's parents fear that she doesn't realize the most painful obstacle of all: how few opportunities there are for black ballerinas. Then the remarkable Miss Winnie and her talented nephew, Vance, show up in ballet class one day. And as Miss Winnie focuses her attention on Vance and Stephanie's success, Stephanie begins to discover a very different kind of love . . . and a different understanding of what's important.

Carl Johnson:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Dancer can make you truly feel more interested to read.
