## **Demigod Down (The Succubus Executioner) (Volume 2) Kim Schubert**

Olivia is an exceptionally talented killer with a dark past and a questionable future. As the head executioner for the Supernatural Council of the eastern United States, she patrols her territory delivering justice and death without remorse. Currently she is being stalked. Pfft, someone or rather some supernatural didn't take their meds if they thought they could hunt her. Let's be honest, she is enjoying the challenge and loving the fact that she gets to slice and dice once she finds them. Silly, silly supernatural. Of course, her stalker has been busy and it's disgusting, heart wrenching work cleaning up, but someone has to do it. If only the idiot stalker was her one and only problem. Blake, who has grown to be an important part of her life, has a secret, and he isn't sharing. Kass, her best friend, is marrying a shifter and drawing Olivia into a central role of Shifter politics she would rather avoid. Finally Governor Hash has found an exceptionally speedy way to end up on her most likely to kill list. Olivia is giving serious thought to revising her policy on not killing humans.
