Exposed for the Doctors: Hartly Institute: Book Two Diana Kildare

It's 1962 at the Hartly Institute, and Caroline has avoided prison by agreeing to serve as the doctor's "special assistant."

Will the **humiliation** never end? First modeling for one of Dr. Williams' abstract nudes...a close **shave** at the hands of Mrs. Larouche...and now serving as a live demonstration model in a female anatomy class?

To Caroline's surprise, it's all very exciting and her need for release continues to build. With the eyes--and hands--of fifteen medical students on her, maybe Caroline will finally get relief...

About the Hartly Institute Series:

Each book can stand alone, but over all the story builds in intensity as Caroline becomes acclimated to her new environment.

Tension and passion continue to build in this installment that features **shaving, light medical bondage, and exhibitionism.**
