Writing stories that make people hard doesn't have to be hard!

Why are so many people getting into writing and self publishing erotica? According to the New York Times, the porn industry brings in **\$10 to \$14 billion dollars** a year. You can tap into that income, too!

What about **E. L. James**, author of the hit erotica series **Fifty Shades of Grey**? As of late July in 2012, the author had **sold 15 million copies** of her books in the United States and Canada alone. That's why so many people are getting into this business.

Making money with erotica isn't as easy as people make it seem, though. **That's why you need this guide.**

Buy this quick how-to guide now and **start earning money!**

What goes into making a cover that will stand out? If not, this book will shine a light on those topics. This book is a short, but complete, introduction to the field of self-publishing erotica--though other writers may find some things of value, as well. Do you love writing? Are you scared of spending months on a novel only to not have it sell? Erotic shorts are the perfect place to start. When you're ready to make a change and really jump head first into the vast ocean of self-publishing, make sure you're carrying this book as your lifesaver! **This books comes with a ton of FREE stories at the end, to help get your creative juices flowing!**
