River of Possibilities: A tale of death, deception and the paranormal Marti Lawrence

Elizabeth Cunningham watched her parents applaud and smile as she graduated college. Two months later she watched their caskets being lowered into the ground. She is left to wonder - why had their new car plunged into a ravine? Why had her father recently updated his Will, adding a strange postscript that directed her to move to the city? The codicil included a note that said she would, "find the truth". Liz discovered nothing she was certain of is true. Her family was not the strong, loyal unit she thought she knew. Both of her best friends have been hiding things from her. Dirty politics, the CIA, and giant corporate interests could end her dreams and put her life and the lives of her friends and family in danger. Worst of all, her parents' deaths may not have been an accident. Her beliefs will be assaulted when she has an encounter with a ghost, a mysterious Tarot reading, and discovers her father's top-secret connections to the paranormal.
