## Running in Heels: A Novel Anna Maxted

"To say that Babs has been my closest friend for sixteen years is rather like saying that Einstein was good at sums. We were blood sisters from the age of eleven (before my mother prized the razor out of Babs's hand)."

But now Babs, noisy and as fun as a day at the beach, is getting married. And Natalie Miller, twenty-seven, senior press officer for the London Ballet, panics. What happens when your best friend pledges everlasting love to someone else?

It doesn't help that Nat is dating a guy named Saul Bowcock. As the confetti flutters, her good-girl veneer cracks, and she falls into an alluringly unsuitable affair that spins her crazily out of control. Nat is on the rebound and allergic to the truth—about Babs's relationship, her boyfriend's ambition, her parents' divorce, and her golden-boy brother's little Australian secret. Her mother's lasagna and her roommate Andy's fuzzy slippers are also monstrous affronts. But what Nat really needs to face is the mirror—and herself . . .

Wickedly witty and refreshingly honest, *Running in Heels* is a hilarious look at the lies we tell ourselves—and the unwanted truths that only our best friends can tell us.

#### **Stephanie Gilley:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Running in Heels: A Novel can make you feel more interested to read.
