World Englishes Volumes I-III Set: Volume I: The British Isles Volume II: North America Volume III: Central America

World Englishes is a twelve-volume series, presenting a comprehensive, detailed survey of English as it is spoken all over the world. The volumes are organised into four groups, covering Britain, Europe, America, Africa and Asia, and celebrate English in all its diversity. The chapters contain maps, facts and figures, and a detailed description about English as it is spoken in each region and are an invaluable library resource for undergraduates, postgraduates and academics interested in the diversity of the English language.
