**Impossible Collection of Art: The 100 Most Coveted Artworks of the Modern Era** Philippe Segalot, Franck Giraud

In the Impossible Collection, Ségalot and Giraud curate the ideal contemporary collection- a collection in which money is no object and anything is possible. Whether "impossible" to obtain or available at the tip of a paddle, these works are remarkable on their own, but as a collection they form a unique perspective on contemporary art. Capturing the essence of today's art world that is at once rarefied, deified, and revolutionary, this limited edition volume presented in a linen box was assembled using the traditional anglaise technique and color-tipped by hand on art-quality paper. Each page bears the unique imprint of the artisan.
