## **La Bella y la Bestia (Spanish Edition)** Jeanne Marie Leprince de Beaumont

La Bella y la Bestia es un cuento de hadas tradicional europeo. Explicado en múltiples variantes cuyo origen podría ser una historia de Apuleyo, incluida en su libro El Asno de Oro. La versión de madame Leprince Beaumont, elegida para esta edición, fue publicada por primera vez en 1756 y cuenta la historia de Bella, hija de un rico mercader que por azares del destino ha de irse a vivir al castillo de una Bestia que pretende matarla. Sin embargo, Bestia se enamora perdidamente de Bella y no sólo le perdona la vida sino que le propone matrimonio. Llevada al cine en infinidad de ocasiones, esta versión ilustrada recoge los originales realizados para una edición inglesa por el gran Walter Crane, artista dotado de una fuerza y una gracia especiales que han convertido su aportación gráfica al cuento en uno de los grandes clásicos de la literatura infantil.
