## **Life (Wisdom Series) Andrew Zuckerman**

Inspired by the idea that one of the greatest gifts one generation can give to another is the wisdom it has gained from experience, award-winning photographer and filmmaker Andrew Zuckerman has captured the voices, physical presence, and written world of iconic over-65-year olds to create profound, honest and truly revealing portraits. Based on his acclaimed large-format book "Wisdom", published in autumn 2008, these new, well-priced smaller books and films - included here on DVDs - provide an extraordinary legacy for the generations that follow and timeless portraits of the common themes that unite us all.
