Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout The Case for Christ Study Bible provide a solid explanation of where the historical and scientific evidence point—toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. The Case for Christ Study Bible features more than 500 notes and articles, including: • The Case for a Creator: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator. • The Case for the Bible: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions. • The Case for Christ: investigating Jesus' claims, Messianic identity, deity, and resurrection. • And much more. The Good News of the Gospel transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.
