Desperate to break free...

I've spent my entire life under my father's thumb, but now I'm finally free to make my own choices. When my roommate dragged me to my first college party, I met Finn Coram and my life turned inside out. He knows how to break the rules and is everything I never knew I wanted. A Marine by day and surfer by night, he pushes me away even as our attraction brings us closer. Now I am finally free to do whatever I want. I know what I want. I choose Finn.

Trying to play by the rules...

I always follow orders. My job, my life, depends on it. I thought this job would be easy, all the rules were made crystal clear, but when I met Carrie Wallington, everything got muddy. She's a rule I know I shouldn't break, but damn if I don't inch closer to the breaking point each time I see her. I'm ready to step out of line. And even worse? I'm living a lie. They say the truth will set you free, but in my case...

The truth will cost me everything.
