Redondo Malibu

Selling Sex in Orange County: Palm Springs Escort and Santa Barbara Lap Dancer Redondo Malibu Orange County is where porn stars come to die. They literally end their careers. Those bitches that fucked filmmakers like me give these excuses, "I have retired.", "I made my last movie and decided I made enough money from Hollywood.", "Hollywood sucked the life out of me." Most insiders know that the former porn stars who retreat to Orange County are full of disappointment, disillusion, and rage that can turn to madness. When I first moved to Orange County I would run into whores I got naked with and we would casually joke about our retirement from the industry. This lasted for a few seconds, but when the reality sunk in that I saw someone who recognized me, someone I knew, especially at the gym, then I would go days avoiding that time of day as well as the area that I was working out in. Whether you are in Newport Beach, the bookstore on the campus at Irvine, or watching surfers at Huntington Beach, running into a fellow actress is inevitable. The worst girls to run into are the newcomers. Agents refer to Hollywood newcomers as Young Tarts, but they act like young farts as the eighteen year old high school dropout admires her new boob job in every window she passes while pretending to shop for bikini tops that will represent her enhanced breast size.
