THE CALL: Tibet & the Himalayas: High Places, Strongholds Atop the Silk Road (Volume 1) Ramon Santos

The gifts of the Spirit move us. They are around us, in us, and through us.

The Call: Tibet & Himalayas offers a glimpse into the hidden spiritual world as you journey to the high places where nature and heaven meet.

There are seers among us who have the ability to discern the forces of good and evil at work in the spiritual realm—knowledge that can only be learned through experience with the Holy Spirit.

Author Ramon Santos uses a few stories of how these spiritual warriors learned of their gifts to prepare you for what he experienced in his own quest to answer the call in Tibet and the Himalayas.

Follow along on Santos's international ministry trip to the mystical place of cosmic rulers, deities, demons, and princes who have built their strongholds for control among the highest mountains on Earth. It's a fascinating journey filled with spiritual encounters that open doors to charismatic Christianity and the power it has to bring healing, peace, joy, and love to those in need.

The Call: Tibet & Himalayas is the first of five books that will awaken people of all ages to their own spiritual gifts.
