CONTENTS: 1) General Service Information 2) Fuel System 3) Ignition System 4) Power Head 5) Lower Unit 6) Electrical System 7) Remote Control. This service manual includes the specific information you will need to service the 70 HP Models. All general procedures are covered in abbreviated form, mostly by reference to procedural illustrations. The specific procedures which apply only, or primarily, to these motors are covered in fully-illustrated, detailed, step-by-step instructions. The General Services information section will help you diagnose a malfunctioning motor. It includes specifications, tune-up procedures, and a Trouble Check Chart. Clearances and torque values are also included for quick reference during servicing operations. Each of the following sections, Fuel System, Ignition System, Power Head, Lower Unit, Electrical System and Remote Control, give detailed instructions for disassembly, inspection, reassembly, and operating adjustments of the components.
