William desperately needs a job. His interview with the sexy grocery store manager is not going well. He's just so nervous. But when she offers him a chance to enter a management trainee program he jumps at the opportunity.

He stands before a panel of randomly selected shoppers, all beautiful women. They observe that he lacks a certain confidence in his mannerism and they know what that means. All women know. William has a certain manly shortcoming. When he denies this they demand proof. His only chance at a job is to own up and expose himself completely to their eyes and judgement.

The thought of it fills him with a mixture of dread and excitement. He has to admit to himself that the embarrassment and humiliation he feels are somehow deeply pleasurable. Now he drops his shorts and braces for the women's reaction to his little secret...

Depicts CFNM, clothed female nude male, humiliation, embarrassment, small penis humiliation, elements of BDSM, women laughing at a little dick and a public hand job. All characters are consenting adults at least 18 years old.
