**“A novel of head-snapping ambition and heart-stopping power—a novel that attests to its young author’s boundless and unflagging talents.” —Michiko Kakutani, *New York Times***

New York City, 1976. Meet Regan and William Hamilton-Sweeney, estranged heirs to one of the city’s great fortunes; Keith and Mercer, the men who, for better or worse, love them; Charlie and Samantha, two suburban teenagers seduced by downtown’s punk scene; an obsessive magazine reporter and his idealistic neighbor—and the detective trying to figure out what any of them have to do with a shooting in Central Park on New Year’s Eve.

The mystery, as it reverberates through families, friendships, and the corridors of power, will open up even the loneliest-seeming corners of the crowded city. And when the blackout of July 13, 1977, plunges this world into darkness, each of these lives will be changed forever.

*City on Fire* is an unforgettable novel about love and betrayal and forgiveness, about art and truth and rock ’n’ roll: about what people need from each other in order to live . . . and about what makes the living worth doing in the first place.

*From the Hardcover edition.*
