Emergency Care (11th Edition) Daniel J. Limmer EMT-P, Michael F. O'Keefe, Harvey T. Grant, Bob Murray, J. David Bergeron, Ed T. Dickinson

The 11th edition is the most recent in a long line of editions that have provided high quality, understandable, and technically accurate material to generations of EMT students. For over 30 years, Emergency Care has been the book instructors have chosen to prepare their students for the test...and the field.

This edition of Emergency Care has been thoroughly updated to reflect important changes in science and practice.

Two new features have also been added that reflect the vital impact EMTs have on their patients: Point of View, which tells stories of EMS care from the patient's perspective, and Critical Decision Making, which introduces students to real-life decisions they will face on the street.

From reader reviews:

Julia Sullivan:

Reading can called imagination hangout, why? Because while you are reading a book particularly book entitled Emergency Care (11th Edition) your mind will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely can become your mind friends. Imaging every single word written in a book then become one web form conclusion and explanation which maybe you never get before. The Emergency Care (11th Edition) giving you an additional experience more than blown away your thoughts but also giving you useful data for your better life in this particular era. So now let us show you the relaxing pattern this is your body and mind is going to be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary shelling out spare time activity?

Lorenza Jones:

Do you have something that you want such as book? The reserve lovers usually prefer to opt for book like comic, short story and the biggest the first is novel. Now, why not trying Emergency Care (11th Edition) that give your satisfaction preference will be satisfied through reading this book. Reading addiction all over the world can be said as the opportunity for people to know world better then how they react towards the world. It can't be stated constantly that reading routine only for the geeky person but for all of you who wants to end up being success person. So , for every you who want to start reading as your good habit, you could pick Emergency Care (11th Edition) become your personal starter.

Mark Whitten:

Your reading 6th sense will not betray you actually, why because this Emergency Care (11th Edition) book written by well-known writer we are excited for well how to make book that may be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still skepticism Emergency Care (11th Edition) as good book but not only by the cover but also from the content. This is one guide that can break don't determine book by its handle, so do you still needing another sixth sense to pick this specific!?! Oh come on your examining sixth sense already said so why you have to listening to a different sixth sense.

Tara Reynolds:

What is your hobby? Have you heard in which question when you got college students? We believe that that concern was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person like reading or as examining become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to increase you knowledge, except your teacher or lecturer. You discover good news or update concerning something by book. Different categories of books that can you go onto be your object. One of them is actually Emergency Care (11th Edition).
