## From Nuremberg to The Hague: The Future of International Criminal Justice

This collection is based on a lecture series organized jointly by Matrix Chambers and the Wiener Library in London between April and June 2002. Leading experts present papers examining the evolution of international criminal justice from its origins at Nuremberg through to the proliferation of international courts and tribunals based at The Hague today. The lectures will provide various perspectives on the subject for anyone interested in international criminal law--from specialists to non-specialists.
