Living in Bahia

Monica Lima

Living in Bahia Monica Lima

Seen from the sea, Bahia's coast still resembles what the Portuguese found 500 years ago when they first arrived. The tree-lined, white sand desert beaches and warm, clear waters continue to attract more tourists every year. Bahia's regional architecture makes use of native materials, conveying a natural harmony with the local climate and nature, and is distinguished by the clear influence of the three cultures in the region (indigenous, Portuguese, and African). Bahia is one of the most interesting states in Brazil, notable for its cultural history, music, art, cuisine, and most famously, its laid-back lifestyle and architecture that have turned Bahia into a favorite destination for travellers from around the world. We have searched high and low for Bahia's loveliest homes and spots, from typical fisherman's huts to sophisticated modern homes. Highlights include a treehouse by sculptor and environmentalist Frans Krajeberg, a house made of corals owned by American actor Jamie Grange Stuart, an experimental house with a bamboo roof, and a house perched on a cliff built by artist Calazans.

From reader reviews:

Christina Bain:

Do you have favorite book? For those who have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each publication has different aim as well as goal; it means that publication has different type. Some people feel enjoy to spend their a chance to read a book. They can be reading whatever they have because their hobby is usually reading a book. Think about the person who don't like studying a book? Sometime, person feel need book when they found difficult problem as well as exercise. Well, probably you'll have this Living in Bahia.

Joseph Ortiz:

The book Living in Bahia gives you the sense of being enjoy for your spare time. You may use to make your capable far more increase. Book can to be your best friend when you getting anxiety or having big problem with your subject. If you can make reading a book Living in Bahia to be your habit, you can get more advantages, like add your personal capable, increase your knowledge about many or all subjects. You can know everything if you like start and read a e-book Living in Bahia. Kinds of book are several. It means that, science reserve or encyclopedia or others. So , how do you think about this publication?

Ardith Bobo:

Your reading 6th sense will not betray a person, why because this Living in Bahia reserve written by well-known writer whose to say well how to make book that may be understand by anyone who read the book. Written throughout good manner for you, leaking every ideas and publishing skill only for eliminate your current hunger then you still skepticism Living in Bahia as good book not just by the cover but also with the content. This is one book that can break don't evaluate book by its cover, so do you still needing another sixth sense to pick this specific!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.

Joe Garner:

Many people spending their time period by playing outside along with friends, fun activity having family or just watching TV the whole day. You can have new activity to shell out your whole day by examining a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like Living in Bahia which is finding the e-book version. So , why not try out this book? Let's notice.
