## **Memoirs of Joseph** Joseph Murphy

This Book its self is mainly about my child hood memories of being in heavan its self. Before my birth to my own mother then. Who was my biological mother to me and my fathers wife as well as his own step daughter to him then. She was the biological daughter to his first wife then. And her first husband to her who had disapeared while my mother was a very young girl then. Mother had stated that she was told that her dad was run over by a train while waiting to cross the tracks for the store. And this book is also about a farm wreck that I had been involved in my own self as to where I had died three times in the hospitel from the wreck its self. And both the Spirit birth area and the life after death for me has god talking to me in both parts of my life. This Book also contains drawings from both episodes of my own life. Then as it was known to my self. And I have kept them short as drawings do tend to take alot of paper room.
