The Extraordinary Adventures of Adele Blanc-Sec: Pterror over Paris and The Eiffel Tower Demon (The Extraordinary Adventures of Adèle Blanc-Sec) Jacques Tardi

Classic comedy-thriller by one of France's greatest, released to coincide with the film version!

Both a rip-roaring adventure series set in pre-World War I Paris and a parody of same, Adele Blanc-Sec has been enchanting, thrilling, and puzzling readers worldwide through four decades.

With various American attempts to publish Adele having dribbled into nothing decades ago, Fantagraphics Books, fresh from its triumphs with Tardi's *West Coast Blues* and *You Are There*, launches a spectacular, newly re-translated, hardcover series that intends to collect every one of its nine (soon ten) volumes. In this premiere installment, Adele becomes involved in an interlocking series of mysteries that involve a revived pterodactyl, a frightful on-stage murder, a looming execution by guillotine, and a demon from the depths of hell ? plus of course moronic gendarmes, loyal (or perhaps traitorous?) henchmen, and a climax atop the Eiffel Tower.

The Adele Blanc-Sec series is currently being adapted into a series of films by the renowned action director Luc Besson (*The Professional*, *The Fifth Element*), bringing this quirky, very French series to a new worldwide audience. 96 pages of full-color comics
