What Kills Me Wynne Channing

An ancient prophecy warns of a girl destined to cause the extinction of the vampire race.

So when 17-year-old Axelia falls into a sacred well filled with blood and emerges a vampire, the immortal empire believes she is this legendary destroyer. Hunted by soldiers and mercenaries, Axelia and her reluctant ally, the vampire bladesmith Lucas, must battle to survive.

How will she convince the empire that she is just an innocent teenager-turned bloodsucker and not a creature of destruction? And if she cannot, can a vampire who is afraid of bugs summon the courage to fight a nation of immortals?
