A Dog's Life Alp Mortal

Orion is an escort at the pinnacle of his career. He meets Stephen who is also an escort during a weekend in Nice. Both are accompanying clients who have serious business and pleasure on their minds. What should have been a pleasant weekend involving some shopping, undemanding sex and a timely kick-start to the tan, turns tail and bites them both; seeking to remind them that it never pays to get too friendly with the client. Is it time for them to give up the dog's life and re-discover the joys of sex without the pay-off?
