Felipe Trigo Sánchez

A prueba (Anotado) (Spanish Edition) Felipe Trigo Sánchez

Felipe Trigo Sánchez (Villanueva de la Serena, Badajoz, 1864 – Madrid, 1916) fue médico rural y militar, y posteriormente escritor español.

La mayor parte de las novelas y relatos cortos de Felipe Trigo tienen como tema principal el erotismo. Trigo criticaba en estas novelas la hipocresía y los prejuicios de la sociedad española en lo relativo a la moral sexual. El autor es, sin embargo, más recordado por dos obras en las que, aunque lo erótico está también presente, priman sus inquietudes regeneracionistas, cercanas a las ideas de los miembros de la generación del 98. Son éstas: *El médico rural* (1912), en la que, con abundantes elementos autobiográficos, critica enérgicamente la miseria y la ignorancia en la que viven los campesinos extremeños; y, sobre todo, *Jarrapellejos*, novela varias veces reeditada y llevada al cine en 1988 por Antonio Giménez-Rico, que denuncia los males del caciquismo en la sociedad española de la Restauración.

A prueba fue escrita en 1910 y se puede encuadrar en el conjunto de novelas de transición, en las que aparecen personajes que son capaces de superar sus prejuicios.
