Battle for the Nether: Book Two in the Gameknight999 Series: An Unofficial Minecraft'er's Adventure

Mark Cheverton

The action-packed Minecraft follow-up to *Invasion of the Overworld!*

Gameknight999, a real-life Minecraft user trapped inside the game he loves to play, and his friend Crafter have transported to a new server. Malacoda is the King of the Nether, a terrible ghastr that wants to destroy all of Minecraft with his massive army of blazes, magma cubes, zombie pigmen, and wither skeletons.

Knowing the lives of all those within Minecraft—as well as those in the physical world—are depending on them, Gameknight and Crafter will need to search the land to recruit an NPC army. But the battles Gameknight's already fought have left him doubting his abilities, and he'll need to dig deep to find his courage if he's to have any shot at victory.

Epic battles, terrible monsters, heartwarming friendships, and spine-tingling suspense . . . *Battle for the Nether* takes the adventures of Gameknight999 to the next level in a nonstop roller-coaster ride of adventure.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
