Color Her Red C L Shaw

Emma's husband is a gorgeous, wealthy, former playboy who's left his bad ways behind. Or so she thought. When she sees Thomas' picture on the news, with his arms wrapped around another woman's waist, her heart shatters and her trust in him is destroyed. The incriminating photos of his infidelity have ruined her happily ever after.

Thomas denies the allegations and pleads with her to believe in him and fight for their marriage, but Emma is hesitant to put her faith in the man she so desperately loves. When the woman in the photo surfaces and makes it clear that she's willing to do anything to reclaim Thomas, Emma soon learns that they will have to fight for both their marriage and their lives.

This is book 1 of a 2 book sexy, sweet, and suspenseful series.

From reader reviews:

Veronica Gregor:

Do you have favorite book? For those who have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each reserve has different aim or perhaps goal; it means that guide has different type. Some people sense enjoy to spend their a chance to read a book. These are reading whatever they consider because their hobby is definitely reading a book. Think about the person who don't like examining a book? Sometime, individual feel need book after they found difficult problem or even exercise. Well, probably you will require this Color Her Red.

Gilbert Pellerin:

In this 21st one hundred year, people become competitive in each way. By being competitive now, people have do something to make them survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that often many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive increase then having chance to endure than other is high. For you personally who want to start reading a book, we give you this particular Color Her Red book as nice and daily reading publication. Why, because this book is usually more than just a book.

Linda Harris:

This Color Her Red is great book for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it information accurately using great arrange word or we can claim no rambling sentences inside it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with wonderful delivering sentences. Having Color Her Red in your hand like finding the world in your arm, data in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen small right but this publication already do that. So , this can be good reading book. Hello Mr. and Mrs. stressful do you still doubt which?

Diane Sanchez:

You could spend your free time to see this book this book. This Color Her Red is simple to deliver you can read it in the park, in the beach, train along with soon. If you did not include much space to bring often the printed book, you can buy the particular e-book. It is make you better to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
