Czerny's pedagogical works have been revered since they were created. Together with Hanon's The Virtuoso Pianist, Czerny's The School of Velocity is among the most widely practiced set of exercises in the piano repertoire. This elegant edition features spiral binding: the pages turn easily and always lie flat. Now you can practice without having to slap the book open every few seconds!

In addition to spiral binding, this edition offers heavy, ultra-smooth, cream-colored paper, as well as dark, consistent printing for excellent contrast. No expense has been spared in the design and manufacture of this book.
