How to Spend Less and Earn More: More Money in Your Pocket (Simple Money Smarts Series Book 2) Emily Sawtelle

These days, many people are getting pinched from every side. It may seem impossible to get money or to keep it if you have it. If you're lucky enough to have a job, your rent goes up. If you have a fixed mortgage, your food bill goes up. What can you do to keep more money in your pocket and less money going out of it? This 50-page book will teach you how to save money and earn money--the two best things you can do to combat rising prices. Much of the book is about ways to save, focusing especially on saving money where it will hurt the least. The remainder of the book covers different ways you can make extra money each month and mentions several of the many resources available to help you do just that.

Following the saving tips in this book might mean you can stop thinking 'I need money, I want money, give me money.'

Below are the contents of the book:
