Many people have found The People's Bible to be the most reliable Bible commentary series published. It's the laypeople's Bible—down to earth, clearly written, easy to read and understand, filled with practical and contemporary applications. Each volume includes that book's complete text from the NIV Bible. The Christ-centered commentaries following the Scripture sections contain explanations of the text, historical background, maps, illustrations, and archaeological information. The People's Bible commentaries are great for personal or group study.

In this People's Bible commentary, the apostle John, refers to himself as the disciple "whom Jesus loved." John was one of the inner circle of disciples, together with Peter and James. As he records the ministry of Jesus, the apostle adds many insights not recorded by the other gospels. John is a simple and clear statement of God's grace in Christ, written so that readers might believe and have life in Jesus, God's Son.
