**Mia Murphy may be married to the man of her dreams. But the man *in* her dreams is the one that got away—her high school crush.**

Mia has the life everyone envies. A white picket fence, two adorable daughters, and a hottie husband who stole her heart in college with the strum of his Gibson and his sexy baritone. But when forever becomes monotonous for this perfect couple, their faith in each other is tested.

For Declan, long trips away from home because of his demanding job cause him to find comfort on the road. For Mia, the recurring dreams of her old flame and the shock of her husband's infidelity send her running into Noah's arms at their ten year high school reunion.

Will Mia abandon the alluring pull of the past for her picture perfect future or will the man of her dreams be replaced by the man in her dreams?

**MAN OF MY DREAMS** is a full-length, contemporary romance. This is book one in the Dream Series and can be read as a standalone.
