For those who prefer a more compact format, Flesk is pleased to introduce the Naughty and Nice Big Pocket Edition. This stylish new presentation preserves the aspect ratio of the original Naughty and Nice in a volume made even more conducive to curling up with a good book. The new format also affords the Big Pocket Edition the luxury of a modest price, that it may find its way more readily into the hands of the discerning Everyman.

In a radical departure from his previous work on animated films and comics featuring superheroes, the award-winning artist Bruce Timm presents an extensive survey of the many forms that his shapely muse has assumed in his mind's eye. Naughty and Nice: The Good Girl Art of Bruce Timm Big Pocket Edition showcases over 250 full-color, line and pencil images of partially clothed and nude women of almost every conceivable description and temperament.

This substantial collection provides shapely forms and earthly delights throughout its pages. Be it a sophisticated city gal or a savage jungle queen, a hard-boiled dame or an elegant lady from the land of fantasy, a quietly smoldering sorceress or a wild-hearted adventuress, each of Timm's ladies is sure to please the eye.

Over 125 new images have been prepared especially for this handsome book. Timm explores the female form with absolute creative freedom, and pure personal expression is the result. The artist has granted Flesk Publications unprecedented access to his archives to provide the best representation of his private works. These rarely seen images span the last 15 years and are showcased in a single collection for the first time.
