Introduction to Organic Soil / Garden Indoors... It is fortunate that there are men and women so constituted that they become inspirational idols through their humane efforts to other human beings. Dr. G.H. Earp-Thomas of Plainfield, NJ., was such an individual. He gave to this world an understanding of nutrition that theretofore had been only partially developed. His contribution constitutes the very foundation of health, in human beings and in animals. His patience, and the generous sharing of knowledge of his sixty years experience, can never be adequately expressed in words. Through this knowledge, I have been enabled to help human beings in all parts of the world. Dr. Earp- Thomas is no longer with us physically, but spiritually he is guiding many of us onward.
